

## Farmington Wrestling Community Donation Program

Farmington Wrestling values strong community, school, sporting, and youth activity programs. With a solid foundation built by strong organizational leaders, families, sponsors, coaches, and athletes; Farmington Wrestling wants to help others in our community. We have created a program to donate a portion of our proceeds to other Farmington organizations. This process, only available by application, allows groups to request funding for specific needs and purposes.

### **RULES and REQUIREMENTS:**

1. Donation request limit is \$500.
2. Donation requests must benefit a Farmington (Minn.) based non-profit organization.
3. Underserved/underfunded youth sports organizations may receive priority consideration.
4. Donation requests cannot be used to benefit an individual (exception being program participation scholarships).
5. Donation requests are considered quarterly, with the submission acceptance period beginning the first day of each new quarter. (Sept 1, Dec 1, Mar 1, Jun 1)
6. Organizations can only submit donation requests once per year.
7. Programs that receive funding may be required to volunteer hours to the Farmington Wrestling program.
8. It is **not** required, nor should it be expected, that an explanation is provided for denied applications.
9. Once quarterly allotment of donation funds has been exhausted, remaining applications will be denied. Annual funding allotment is determined by the Farmington Wrestling board of directors, and will not be made public to the requestors of funds.
10. The Farmington Wrestling Community Donation Committee reserves the right to request additional information. This may include but is not limited to: other sources of funding and revenue, previous fundraising efforts, financial statements, affiliations with other programs, etc.

*Each year a dozen or more youth are unable to fully pay for the registration fees due to no fault of their own. Families request that we provide sponsorships for their kids. We run extremely close in budget each year. These funds will be used to directly impact the experience of the youth football players. No portion of these funds will be used to benefit any one child or family, only to offset the loss of income as a result.*
